

Everything Your School Needs. One **Intelligent** Platform.

Aspirant 360° is an AI-powered school platform that connects academics, administration, communication, examinations, finance and analytics in one intelligent platform.

- ✓ Generate board-ready report cards for your entire school in minutes — not weeks.
- ✓ Identify struggling students before examinations, with AI-powered insight.
- ✓ Automate repetitive school operations, from fee reminders to result delivery.
- ✓ Keep parents informed in real time, across email, SMS and push notifications.
- ✓ Centralize academics, attendance, fees, transport and HR on one platform.

Book Your Personalized Demo

A live product walkthrough on your own school's structure — not a generic sandbox.
